## Not Guilty! But Don't Do It Again--

### T.A.P.

And show the other fellow his mistake.

Remember every Easter Sunday in the past how you either openly or silently admired the men who, on Easter Sunday, made their appearance dressed from top to toe.

You remember, too, seeing some fellows dressed and pitted them. They were the men who chose the "Tailor-Made Rainbow." Times and styles and ideas are changed.

The smart, dressy men nowadays are buying their clothes ready-to-put-on; they are getting two suits that fit for one that didn't. Step into this store some day this week. Have the salesman show you the T. A. P. models for spring. Then if you feel inclined you can try one on and if you care to buy—why that's your business. Any garment bearing our label will please you in every detail and especially so the price.

Suits \$10 to \$40.

### shopping by catalog

Just the other day a lady right in Pittsburgh told a member of our advertising department that she always consulted our catalog before coming to the store to shop.

That in this way she was able to more accurately determine just the goods she wanted.

When this lady, living within a half hour's trolley ride of the store, finds it profitable to consult our catalog how much more advantage that same catalog must be to anyone living as you do, where you cannot come to the store for every individual purchase.

Our New Spring Catalog will be out of the binders' hands this week.

Shall we mail you a copy—free?

When writing for catalog also ask for samples of Foulard Silks, 75c and 85c a yard.

### WHY WE ADVERTISE

#### IN THE NEWSPAPERS

Because we want you to know of the class of work turned out in our establishment.

Because we cater to the intelligent class and they read the papers.

Because we can talk to more people through the newspapers, at a greater distance, in less time and at a more reasonable price than in any other way.

Because newspaper advertising brings the best results when placed in a first-class medium.

Because we know it is seen and read by almost everyone in the house where the paper goes.
